AN ORDINANCE

ADOPTING A REVISED CHAPTER 3.01 AND ANCILLARY MUNICIPAL CODE CHANGES

WHEREAS, in 2014, the Colorado General Assembly adopted Senate Joint Resolution 14-038 urging Colorado’s home rule municipalities that self-collect their sales tax (the “Self-Collecting Municipalities”) to work with the Colorado Municipal League (“CML”) to develop uniform definitions for the Self-Collecting Municipalities’ tax codes in order to help simplify taxation by using standardized terminology;

WHEREAS, the definitions developed by the Self-Collecting Municipalities and CML initially consisted of 106 definitions, with five more definitions added since, for a total of 111 standard definitions (the “Standard Definitions”);

WHEREAS, when incorporating the Standard Definitions into Lakewood's tax code, located in Lakewood Municipal Code (“LMC”) Chapter 3.01 (the “Tax Code”), it became clear that portions of the Tax Code and its associated regulations (the “Regulations”) would need to be revised due to inconsistencies between the language of many of the Standard Definitions and the existing Tax Code;

WHEREAS, over the decades since the Tax Code was first adopted, discrete changes have been made in response to state legislative changes, in response to a similar 1992 standardized definition project, and in response to certain local tax disputes;

WHEREAS, moreover, the current Tax Code contains various typographical, spelling and grammar errors; redundant, archaic and obsolete language and formatting; and outdated concepts and references, all of which combine to make it more difficult for local businesses to understand and apply the requirements of the Tax Code to their own tax situation;

WHEREAS, the revised LMC Chapter 3.01, attached hereto and incorporated herein by this reference (the “Revised Tax Code”), has been written to make the City’s sales and use tax requirements less difficult to understand by simplifying language to make it more straightforward, organizing the Chapter in a more intuitive way, combining related concepts, consolidating certain sections, inserting lists and headers for easier navigation, updating references, and adding an “audit” section to clearly identify that procedure;

WHEREAS, in light of the changes to the Tax Code, LMC Chapter 3.26 must be revised to incorporate the provisions of LMC section 3.01.085 - Economic Development Assistance;

WHEREAS, approval of this ordinance on first reading is intended only to confirm that the City Council desires to comply with the Lakewood Municipal Code by setting a
public hearing to provide City staff and the public an opportunity to present evidence and testimony regarding the proposal; and

WHEREAS, approval of this ordinance on first reading does not constitute a representation that the City Council, or any member of the City Council, supports, approves, rejects or denies the proposal.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Lakewood, Colorado, that:
